Taking the bus from the airport:

Most of you will arrive at **Guarulhos International Airport (GRU)** in São Paulo. From there you will need to take a **bus** to Campinas, which takes approximately two hours. The bus company is called **Caprioli** and their office is just outside of Terminal 2. Buses leave roughly once an hour, or once every hour and a half. There is no service between 2am and 6:30am.

Caprioli buses leave from the centre median near their office.

When you arrive at the station in Campinas, we will meet you at the station to pick you up. The waiting area will be down the escalator near the curb and benches (*not where all the taxis are*). Look for someone with a sign that says Global Labour University. From there, we'll take you to your accommodations.

The bus cost should be paid by you and we will reimburse it.
